Letter from Lieutenant-General T. J. Jackson.

HEADQUARTERS, 1ST BRIGADE, 2D CORPS, A. P.,
CENTREVILLE, October 22, 1861.

Gentlemen: Your circular of the 9th inst., has been received, and I beg leave to say in reply, that I only took the field from a sense of duty; and that the obligation that brought me into service still retains me in it, and will probably continue to do so as long as the war shall last. At the close of hostilities, I desire to resume the duties of my chair, and accordingly respectfully request that, if consistent with the interest of the Institute, the action of the Board of Visitors may be such as to admit of my return upon the restoration of peace.

Respectfully, your obt. servt.,

T. J. JACKSON,

Professor Nat. and Exp. Philosophy, V. M. I.

To

Gen. WM. H. RICHARDSON,
Gen. T. H. HAMMOND, } *Committee.*

Letter from Gen. R. E. Lee.

CAMP PETERSBURG, July 4, 1864.

I have grieved over the destruction of the Military Institute. But the good that has been done to the country cannot be destroyed, nor can its name or fame perish. It will rise stronger than before, and continue to diffuse its benefits to a grateful people. Under your wise administration there will be no suspension of its usefulness. The difficulties by which it is surrounded will call forth greater energy from its officers and increased diligence from its pupils. Its prosperity I consider certain.

With great regard, very truly yours,

R. E. LEE.

Gen. FRANCIS H. SMITH.

REMARKS.

THE VIRGINIA MILITARY INSTITUTE was established, and is supported, by the State of Virginia. It was organized in 1839, as a State *Military* and *Scientific* School, upon the basis of the United States Military Academy at West Point, and has been in successful operation for thirty-four years. The cadets admitted consist of two classes, *State* and *Pay* cadets. The Institute supplies to the State cadet his board and tuition; and, in consideration thereof, he is required to teach two years after graduation. The pay cadet is at his own expense, which averages $500 per year, for every charge, *including clothing*. The State cadets are selected from those who are unable to bear their own expenses. The institution has always had as many pupils as its buildings would accommodate, and numbers now 50 *State* and 200 *Pay* cadets.

The State makes an annual appropriation for the support of *Virginia Military Institute* of $15,000. This sum supplies *tuition* and *board* to the *State* cadets, *without charge*, and supports—by the aid of the tuition fees, and the income from vested funds—the Faculty. In 1860, a donation of $20,000 was made by Gen. PHILIP ST. GEORGE COCKE for the endowment of the chair of *Agriculture*, and in the same year a donation was made of $11,800 by Dr. WILLIAM

NEWTON MERCER, of Louisiana, to endow the chair of Animal and Vegetable Physiology, applied to *Agriculture*. A donation was made at the same time by Mrs. E. L. CLAYTOR, of Virginia, of $5,000, to erect a *Hall of Natural History*.

The *Virginia Military Institute* has just placed itself before the public as a *General School of Applied Science*, for the development of the *agricultural*, *mineral*, *commercial*, *manufacturing*, and *internal improvement* interests of the State and country, when the army of Gen. Hunter destroyed its stately buildings and consigned to the flames its library of 10,000 volumes, the philosophical apparatus used for ten years by "STONEWALL" JACKSON, and all its chemicals. The cadets were then transferred to Richmond, and the Institution was continued in vigorous operation until the evacuation of Richmond, on the 3d April, 1865.

On the 21st September, 1865, the Board of Visitors met in Richmond to reorganize the institution. The war had made sad traces on the school, besides the destruction of its building, library, and apparatus. Three of its Professors, Lt.-Gen. "STONEWALL" JACKSON, Maj.-Gen. R. E. RHODES, and Col. S. CRUTCHFIELD, two of its Assistant Professors, Capt. W. H. MORGAN, and Lieut. L. CRITTENDEN, and 175 of its Alumni, had been slain in battle, and 350 others maimed. Considering, however, the great demand flowing from the general suspension of education in the South, and the special field of usefulness *distinctively* marked out for

this *School of Applied Science*, the Board of Visitors proceeded with energy and resolution in their work, and, having elected Gen. G. W. Custis Lee, and Col. Wm. B. Blair, distinguished graduates of the U. S. Military Academy, to fill two of the chairs made vacant by the death of Gen. Jackson and Gen. Rhodes, and at subsequent meetings appointed Commodore M. F. Maury, LL. D., late of the Observatory, Professor of Physics and Superintendent of the Physical Survey of Virginia, and Capt. John M. Brooke, late of the Navy, to the new chair of Practical Astronomy Geodesy, Physical Geography, and Meteorology, the *Virginia Military Institute* resumed its accustomed work, amid its ruins at Lexington, on the 17th October, 1865, with some 50 cadets, organized in four classes, and prosecuted its work with earnestness and effect, and, *on the 4th of July following*, *ten* cadets, constituting the first class, who had borne the hardships and perils of the institution during the whole of the war, were graduated, having completed a course of scientific and general study which will commend them to the confidence of the scientific scholar.

The Legislature of Virginia promptly responded to these evidences of vitality on the part of the school, by providing for the payment of its annuity and the interest on its vested funds. This provision enabled the Board of Visitors to appoint the State cadets required by law to be admitted, and arrangements were at the same time in progress to restore the buildings; and on the 1st of July, 1870, they had the

pleasure to report to the Governor the complete execution of this work, including a full equipment of the Laboratories, Engineering and Drawing Department of the institution. The *Virginia Military Institute* now numbers 950 graduates, 300 of whom were *State* cadets. There have been altogether 3,000 matriculates, and of these 630 were *State* cadets.

SYSTEM

OF

INSTRUCTION AND GOVERNMENT.

THE SYSTEM OF INSTRUCTION AND GOVERNMENT in the Virginia Military Institute is *distinctive*, and is founded upon that of the United States Military Academy at West Point.

As soon as a young man enters this institution, it assumes over him an entire control, and not only directs his moral and intellectual education, but provides everything required for his personal wants or comfort. A cadet may, if his parents desire it, remain in charge of the institution for the entire term of four years, as the system of government keeps it always in operation. The months of July and August in each year are devoted exclusively to military exercises. Furloughs are granted to those who may desire it, in turn, during this period. The cadets are lodged and boarded in the institution, their *clothing*, *books*, and other supplies being provided by the Quartermaster of the Institute, *at cost*. The sick are under the special care of the Surgeon, with Hospital and other facilities for nursing.

The *energy*, *system*, *subordination*, and *self-reliance* which

the *military government* of the Institute cultivates, gives a *practical* character to the education which it supplies. The high reputation which its Alumni have established for the School is the evidence of its value.

Attendance at Church and Bible instruction is prescribed for each Sabbath.

Estimated Expenses.

Tuition	$100 00
Board, $15 per month	180 00
Washing, $2 per month	24 00
Fuel and Lights, $3 per month	36 00
Surgeon's Fee	10 00
Room-rent	10 00
Music Fee	10 00
Estimated College Expenses	$370 00
Estimated annual cost for Clothing and incidentals supplied at the Institute	130 00
Total expenses, including Clothing	$500 00

Each Cadet is required to bring with him, or to provide before his admission, the following articles:

2 pairs Monroe Shoes.
1 Tooth-brush.
2 pairs sheets for single bed.
6 Towels.
12 Shirt-collars.
1 Comb.
7 Shirts.
1 Clothes-brush.
6 pairs White Drilling Pants.
2 Pillow-cases.
4 Pocket Handkerchiefs.
1 pair Blankets.
4 pairs Drawers.
1 Hair-brush.
7 pairs Cotton Socks.
1 Comfort for Bed.
1 Clothes-bag.
1 Mattress.
1 Pillow.
3 Flannel Shirts.

N. B.—When the Cadet reports for duty, he will present a list of the clothes brought with him to the Superintendent, and should it fall short of the above requisition, a deposit must be made to supply the deficiency.

*** The allowance for pocket-money is at the discretion of the parent or guardian, but not to exceed $5 per month, for which a special deposit must be made.

The Institute binds itself that the *estimate* for the Academic Year shall not be exceeded, except by the special authority of the parent or guardian, to meet the extraordinary charges which excessive wear and tear of clothing may demand.

Inasmuch as the Institute provides, besides tuition, the *board, washing, fuel, lights, medical attendance, clothing*, and all necessary personal expenses of a Cadet, and is responsible for the payment of their supplies, *it is imperatively required that funds necessary to meet these charges from time to time shall be on deposit with the Treasurer of the Institute.*

When a Cadet leaves the Institute before the expiration of the year, *the Tuition fee and the Surgeon's fee are required to be paid for the whole year.* A ratable deduction is made on all other charges. As the estimate includes Clothing, the issues for the whole year are usually made within the first six months.
